

Grade 1 English Lesson Plan

Term 1 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce alphabet knowledge	Alphabet review	Practice writing and identifying letters, introduce simple words	Alphabet charts, flashcards, writing sheets	Letter and word recognition exercises
2	Recognize and read simple sight words	Sight words	Introduce basic sight words, practice reading and using them in sentences	Sight word flashcards, word wall, books	Sight word reading and usage exercises
3	Understand basic sentence structure	Simple sentences	Create and read simple sentences, identify subjects and predicates	Sentence strips, picture cards, writing sheets	Sentence creation and identification activities
4	Develop listening and speaking skills	Storytelling and discussion	Listen to stories, participate in discussions, answer questions	Storybooks, audio recordings, discussion prompts	Oral storytelling and discussion participation
5	Recognize and write simple CVC words	CVC words (e.g., cat, dog)	Practice reading and writing CVC words, phonics activities	CVC word cards, phonics games, writing sheets	CVC word reading and writing exercises

6	Identify and use common nouns	Nouns	Identify common nouns, practice using them in sentences	Noun cards, picture books, worksheets	Noun identification and usage exercises
7	Identify and use common verbs	Verbs	Identify common verbs, practice using them in sentences	Verb cards, action pictures, worksheets	Verb identification and usage exercises
8	Recognize and use adjectives	Adjectives	Identify adjectives, practice describing objects	Adjective cards, picture cards, worksheets	Adjective identification and usage exercises
9	Develop phonemic awareness	Phonemic awareness	Practice segmenting and blending sounds, rhyming activities	Phonics games, sound cards, worksheets	Phonemic awareness activities
10	Understand and create simple rhymes	Rhyming words	Identify and create rhyming words, rhyming games	Rhyming word cards, nursery rhymes, worksheets	Rhyming word exercises and activities

Term 2 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Recognize and read more complex sight words	Sight words	Introduce additional sight words, practice reading and using them in sentences	Sight word flashcards, word wall, books	Sight word reading and usage exercises

2	Develop reading comprehension skills	Reading comprehension	Practice reading short passages, answer questions about the text	Short storybooks, comprehension worksheets	Reading comprehension questions
3	Recognize and use basic punctuation	Punctuation (period, question mark)	Introduce basic punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Punctuation usage exercises
4	Develop writing skills	Writing simple sentences	Practice writing simple sentences, focus on capitalization and punctuation	Writing sheets, sentence prompts, picture cards	Writing sentences with proper punctuation and capitalization
5	Engage in creative writing activities	Creative writing	Write simple stories or sentences based on prompts	Writing prompts, picture cards, story starters	Creative writing exercises
6	Understand the use of capital letters	Capital letters	Practice using capital letters at the beginning of sentences and for names	Writing sheets, flashcards, books	Capitalization exercises
7	Develop vocabulary through synonyms and antonyms	Synonyms and antonyms	Identify and use synonyms and antonyms	Synonym and antonym cards, books, worksheets	Synonym and antonym exercises

8	Recognize and use prepositions	Prepositions	Identify and use prepositions in sentences	Preposition cards, pictures, worksheets	Preposition identification and usage exercises
9	Develop reading fluency	Reading fluency	Practice reading passages aloud with expression	Fluency passages, books, audio recordings	Reading fluency practice
10	Understand and use pronouns	Pronouns	Identify and use pronouns in sentences	Pronoun cards, books, worksheets	Pronoun identification and usage exercises

Term 3 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Recognize and read compound words	Compound words	Identify and practice reading compound words	Compound word cards, books, worksheets	Compound word exercises
2	Understand and use contractions	Contractions	Identify and practice using contractions in sentences	Contraction cards, worksheets, sentence strips	Contraction identification and usage exercises
3	Develop vocabulary through homophones	Homophones	Identify and use homophones in sentences	Homophone cards, books, worksheets	Homophone identification and usage exercises
4	Develop comprehension through sequencing	Sequencing	Practice sequencing events in a story	Sequencing cards, storybooks, worksheets	Sequencing activities

5	Develop descriptive writing skills	Descriptive writing	Practice writing descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Descriptive writing exercises
6	Understand the use of conjunctions	Conjunctions	Identify and use conjunctions to connect sentences	Conjunction cards, worksheets, books	Conjunction usage exercises
7	Recognize and use possessive nouns	Possessive nouns	Identify and use possessive nouns in sentences	Possessive noun cards, worksheets, books	Possessive noun usage exercises
8	Develop critical thinking through question words	Question words (who, what, when, where, why, how)	Practice using question words to form and answer questions	Question word cards, worksheets, books	Question word exercises
9	Understand the basics of storytelling	Storytelling elements	Identify and use elements of storytelling such as characters, setting, and plot	Storybooks, charts, worksheets	Storytelling activities
10	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments

Grade 2 English Lesson Plan

Term 1 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce sight words	Sight words review	Practice reading and using sight words in sentences	Sight word flashcards, word wall, books	Sight word reading and usage exercises
2	Develop vocabulary through synonyms and antonyms	Synonyms and antonyms	Identify and use synonyms and antonyms	Synonym and antonym cards, books, worksheets	Synonym and antonym exercises
3	Understand and use nouns	Nouns	Identify common and proper nouns, practice using them in sentences	Noun cards, picture books, worksheets	Noun identification and usage exercises
4	Understand and use verbs	Verbs	Identify action verbs, practice using them in sentences	Verb cards, action pictures, worksheets	Verb identification and usage exercises
5	Recognize and use adjectives	Adjectives	Identify adjectives, practice describing objects	Adjective cards, picture cards, worksheets	Adjective identification and usage exercises
6	Develop reading comprehension skills	Reading comprehension	Practice reading short passages, answer questions about the text	Short storybooks, comprehension worksheets	Reading comprehension questions

7	Recognize and use punctuation	Punctuation (period, question mark, exclamation mark)	Introduce punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Punctuation usage exercises
8	Develop writing skills	Writing simple sentences	Practice writing sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Sentence writing exercises
9	Understand and use pronouns	Pronouns	Identify and use pronouns in sentences	Pronoun cards, books, worksheets	Pronoun identification and usage exercises
10	Engage in creative writing activities	Creative writing	Write short stories or sentences based on prompts	Writing prompts, picture cards, story starters	Creative writing exercises

Term 2 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Recognize and use compound words	Compound words	Identify and practice reading and writing compound words	Compound word cards, books, worksheets	Compound word exercises
2	Understand and use contractions	Contractions	Identify and practice using contractions in sentences	Contraction cards, worksheets, sentence strips	Contraction identification and usage exercises

3	Develop vocabulary through homophones	Homophones	Identify and use homophones in sentences	Homophone cards, books, worksheets	Homophone identification and usage exercises
4	Develop comprehension through sequencing	Sequencing	Practice sequencing events in a story	Sequencing cards, storybooks, worksheets	Sequencing activities
5	Develop descriptive writing skills	Descriptive writing	Practice writing descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Descriptive writing exercises
6	Recognize and use conjunctions	Conjunctions	Identify and use conjunctions to connect sentences	Conjunction cards, worksheets, books	Conjunction usage exercises
7	Recognize and use possessive nouns	Possessive nouns	Identify and use possessive nouns in sentences	Possessive noun cards, worksheets, books	Possessive noun usage exercises
8	Develop critical thinking through question words	Question words (who, what, when, where, why, how)	Practice using question words to form and answer questions	Question word cards, worksheets, books	Question word exercises
9	Understand the basics of storytelling	Storytelling elements	Identify and use elements of storytelling such as characters, setting, and plot	Storybooks, charts, worksheets	Storytelling activities

10	Develop fluency and expression in reading	Reading fluency	Practice reading passages aloud with expression	Fluency passages, books, audio recordings	Reading fluency practice
----	---	-----------------	---	---	--------------------------

Term 3 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments
2	Develop advanced vocabulary through synonyms and antonyms	Advanced synonyms and antonyms	Identify and use advanced synonyms and antonyms	Synonym and antonym cards, books, worksheets	Advanced synonym and antonym exercises
3	Understand and use more complex punctuation	Punctuation (commas, quotation marks)	Introduce complex punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Complex punctuation usage exercises
4	Develop advanced writing skills	Writing complex sentences	Practice writing complex sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Complex sentence writing exercises

5	Engage in advanced creative writing activities	Creative writing	Write detailed stories or paragraphs based on prompts	Writing prompts, picture cards, story starters	Advanced creative writing exercises
6	Recognize and use advanced conjunctions	Advanced conjunctions	Identify and use advanced conjunctions to connect sentences	Conjunction cards, worksheets, books	Advanced conjunction usage exercises
7	Recognize and use adverbs	Adverbs	Identify and use adverbs to modify verbs in sentences	Adverb cards, worksheets, books	Adverb identification and usage exercises
8	Develop advanced comprehension through inferencing	Inferencing	Practice making inferences from texts	Inferencing cards, storybooks, worksheets	Inferencing activities
9	Develop advanced descriptive writing skills	Descriptive writing	Practice writing detailed descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Advanced descriptive writing exercises
10	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments

Grade 3 English Lesson Plan

Term 1 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce sight words	Sight words review	Practice reading and using sight words in sentences	Sight word flashcards, word wall, books	Sight word reading and usage exercises
2	Develop vocabulary through synonyms and antonyms	Synonyms and antonyms	Identify and use synonyms and antonyms	Synonym and antonym cards, books, worksheets	Synonym and antonym exercises
3	Understand and use nouns	Nouns	Identify common and proper nouns, practice using them in sentences	Noun cards, picture books, worksheets	Noun identification and usage exercises
4	Understand and use verbs	Verbs	Identify action verbs, practice using them in sentences	Verb cards, action pictures, worksheets	Verb identification and usage exercises
5	Recognize and use adjectives	Adjectives	Identify adjectives, practice describing objects	Adjective cards, picture cards, worksheets	Adjective identification and usage exercises
6	Develop reading comprehension skills	Reading comprehension	Practice reading short passages, answer questions about the text	Short storybooks, comprehension worksheets	Reading comprehension questions

7	Recognize and use punctuation	Punctuation (period, question mark, exclamation mark)	Introduce punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Punctuation usage exercises
8	Develop writing skills	Writing simple sentences	Practice writing sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Sentence writing exercises
9	Understand and use pronouns	Pronouns	Identify and use pronouns in sentences	Pronoun cards, books, worksheets	Pronoun identification and usage exercises
10	Engage in creative writing activities	Creative writing	Write short stories or sentences based on prompts	Writing prompts, picture cards, story starters	Creative writing exercises

Term 2 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Recognize and use compound words	Compound words	Identify and practice reading and writing compound words	Compound word cards, books, worksheets	Compound word exercises
2	Understand and use contractions	Contractions	Identify and practice using contractions in sentences	Contraction cards, worksheets, sentence strips	Contraction identification and usage exercises

3	Develop vocabulary through homophones	Homophones	Identify and use homophones in sentences	Homophone cards, books, worksheets	Homophone identification and usage exercises
4	Develop comprehension through sequencing	Sequencing	Practice sequencing events in a story	Sequencing cards, storybooks, worksheets	Sequencing activities
5	Develop descriptive writing skills	Descriptive writing	Practice writing descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Descriptive writing exercises
6	Recognize and use conjunctions	Conjunctions	Identify and use conjunctions to connect sentences	Conjunction cards, worksheets, books	Conjunction usage exercises
7	Recognize and use possessive nouns	Possessive nouns	Identify and use possessive nouns in sentences	Possessive noun cards, worksheets, books	Possessive noun usage exercises
8	Develop critical thinking through question words	Question words (who, what, when, where, why, how)	Practice using question words to form and answer questions	Question word cards, worksheets, books	Question word exercises
9	Understand the basics of storytelling	Storytelling elements	Identify and use elements of storytelling such as characters, setting, and plot	Storybooks, charts, worksheets	Storytelling activities

10	Develop fluency and expression in reading	Reading fluency	Practice reading passages aloud with expression	Fluency passages, books, audio recordings	Reading fluency practice
----	---	-----------------	---	---	--------------------------

Term 3 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments
2	Develop advanced vocabulary through synonyms and antonyms	Advanced synonyms and antonyms	Identify and use advanced synonyms and antonyms	Synonym and antonym cards, books, worksheets	Advanced synonym and antonym exercises
3	Understand and use more complex punctuation	Punctuation (commas, quotation marks)	Introduce complex punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Complex punctuation usage exercises
4	Develop advanced writing skills	Writing complex sentences	Practice writing complex sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Complex sentence writing exercises

5	Engage in advanced creative writing activities	Creative writing	Write detailed stories or paragraphs based on prompts	Writing prompts, picture cards, story starters	Advanced creative writing exercises
6	Recognize and use advanced conjunctions	Advanced conjunctions	Identify and use advanced conjunctions to connect sentences	Conjunction cards, worksheets, books	Advanced conjunction usage exercises
7	Recognize and use adverbs	Adverbs	Identify and use adverbs to modify verbs in sentences	Adverb cards, worksheets, books	Adverb identification and usage exercises
8	Develop advanced comprehension through inferencing	Inferencing	Practice making inferences from texts	Inferencing cards, storybooks, worksheets	Inferencing activities
9	Develop advanced descriptive writing skills	Descriptive writing	Practice writing detailed descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Advanced descriptive writing exercises
10	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments

Grade 4 English Lesson Plan

Term 1 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce sight words	Sight words review	Practice reading and using sight words in sentences	Sight word flashcards, word wall, books	Sight word reading and usage exercises
2	Develop vocabulary through synonyms and antonyms	Synonyms and antonyms	Identify and use synonyms and antonyms	Synonym and antonym cards, books, worksheets	Synonym and antonym exercises
3	Understand and use nouns	Nouns	Identify common, proper, and collective nouns, practice using them in sentences	Noun cards, picture books, worksheets	Noun identification and usage exercises
4	Understand and use verbs	Verbs	Identify action, linking, and helping verbs, practice using them in sentences	Verb cards, action pictures, worksheets	Verb identification and usage exercises
5	Recognize and use adjectives	Adjectives	Identify adjectives, practice describing objects	Adjective cards, picture cards, worksheets	Adjective identification and usage exercises
6	Develop reading comprehension skills	Reading comprehension	Practice reading short passages, answer questions	Short storybooks, comprehension worksheets	Reading comprehension questions

			about the text		
7	Recognize and use punctuation	Punctuation (period, question mark, exclamation mark)	Introduce punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Punctuation usage exercises
8	Develop writing skills	Writing simple sentences	Practice writing sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Sentence writing exercises
9	Understand and use pronouns	Pronouns	Identify and use subject, object, and possessive pronouns in sentences	Pronoun cards, books, worksheets	Pronoun identification and usage exercises
10	Engage in creative writing activities	Creative writing	Write short stories or sentences based on prompts	Writing prompts, picture cards, story starters	Creative writing exercises

Term 2 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Recognize and use compound words	Compound words	Identify and practice reading and writing compound words	Compound word cards, books, worksheets	Compound word exercises

2	Understand and use contractions	Contractions	Identify and practice using contractions in sentences	Contraction cards, worksheets, sentence strips	Contraction identification and usage exercises
3	Develop vocabulary through homophones	Homophones	Identify and use homophones in sentences	Homophone cards, books, worksheets	Homophone identification and usage exercises
4	Develop comprehension through sequencing	Sequencing	Practice sequencing events in a story	Sequencing cards, storybooks, worksheets	Sequencing activities
5	Develop descriptive writing skills	Descriptive writing	Practice writing descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Descriptive writing exercises
6	Recognize and use conjunctions	Conjunctions	Identify and use conjunctions to connect sentences	Conjunction cards, worksheets, books	Conjunction usage exercises
7	Recognize and use possessive nouns	Possessive nouns	Identify and use possessive nouns in sentences	Possessive noun cards, worksheets, books	Possessive noun usage exercises
8	Develop critical thinking through question words	Question words (who, what, when, where, why, how)	Practice using question words to form and answer questions	Question word cards, worksheets, books	Question word exercises

9	Understand the basics of storytelling	Storytelling elements	Identify and use elements of storytelling such as characters, setting, and plot	Storybooks, charts, worksheets	Storytelling activities
10	Develop fluency and expression in reading	Reading fluency	Practice reading passages aloud with expression	Fluency passages, books, audio recordings	Reading fluency practice

Term 3 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments
2	Develop advanced vocabulary through synonyms and antonyms	Advanced synonyms and antonyms	Identify and use advanced synonyms and antonyms	Synonym and antonym cards, books, worksheets	Advanced synonym and antonym exercises

9	Develop advanced descriptive writing skills	Descriptive writing	Practice writing detailed descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Advanced descriptive writing exercises

10	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments
----	-----------------------------------	--------	---	----------------------------------	---

Grade 5 English Lesson Plan

Term 1 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce advanced sight words	Sight words review	Practice reading and using advanced sight words in sentences	Sight word flashcards, word wall, books	Sight word reading and usage exercises
2	Develop advanced vocabulary through synonyms and antonyms	Synonyms and antonyms	Identify and use advanced synonyms and antonyms	Synonym and antonym cards, books, worksheets	Synonym and antonym exercises
3	Understand and use nouns	Common, proper, collective nouns	Identify and use different types of nouns in sentences	Noun cards, picture books, worksheets	Noun identification and usage exercises
4	Understand and use verbs	Action, linking, helping verbs	Identify and use different types of verbs in sentences	Verb cards, action pictures, worksheets	Verb identification and usage exercises
5	Recognize and use adjectives	Adjectives	Identify and use adjectives to describe nouns	Adjective cards, picture cards, worksheets	Adjective identification and usage exercises

6	Develop reading comprehension skills	Reading comprehension	Practice reading passages, answer questions about the text	Short storybooks, comprehension worksheets	Reading comprehension questions
7	Recognize and use punctuation	Punctuation (commas, quotation marks)	Practice using punctuation marks in sentences	Punctuation cards, sentence strips, worksheets	Punctuation usage exercises
8	Develop writing skills	Writing complex sentences	Practice writing complex sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Sentence writing exercises
9	Understand and use pronouns	Subject, object, possessive pronouns	Identify and use pronouns in sentences	Pronoun cards, books, worksheets	Pronoun identification and usage exercises
10	Engage in creative writing activities	Creative writing	Write detailed stories or paragraphs based on prompts	Writing prompts, picture cards, story starters	Creative writing exercises

Term 2 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
-------------	----------------------------	-----------------------	-----------------------------	------------------------------------	-----------------------------------

1	Recognize and use compound words	Compound words	Identify and practice reading and writing compound words	Compound word cards, books, worksheets	Compound word exercises
2	Understand and use contractions	Contractions	Identify and practice using contractions in sentences	Contraction cards, worksheets, sentence strips	Contraction identification and usage exercises
3	Develop vocabulary through homophones	Homophones	Identify and use homophones in sentences	Homophone cards, books, worksheets	Homophone identification and usage exercises
4	Develop comprehension through sequencing	Sequencing	Practice sequencing events in a story	Sequencing cards, storybooks, worksheets	Sequencing activities
5	Develop descriptive writing skills	Descriptive writing	Practice writing descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Descriptive writing exercises
6	Recognize and use conjunctions	Conjunctions	Identify and use conjunctions to connect sentences	Conjunction cards, worksheets, books	Conjunction usage exercises
7	Recognize and use possessive nouns	Possessive nouns	Identify and use possessive nouns in sentences	Possessive noun cards, worksheets, books	Possessive noun usage exercises

8	Develop critical thinking through question words	Question words (who, what, when, where, why, how)	Practice using question words to form and answer questions	Question word cards, worksheets, books	Question word exercises
9	Understand the basics of storytelling	Storytelling elements	Identify and use elements of storytelling such as characters, setting, and plot	Storybooks, charts, worksheets	Storytelling activities
10	Develop fluency and expression in reading	Reading fluency	Practice reading passages aloud with expression	Fluency passages, books, audio recordings	Reading fluency practice

Term 3 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments
2	Develop advanced vocabulary through synonyms and antonyms	Advanced synonyms and antonyms	Identify and use advanced synonyms and antonyms	Synonym and antonym cards, books, worksheets	Advanced synonym and antonym exercises

3	Understand and use more complex punctuation	Punctuation (semicolons, colons, parentheses)	Introduce complex punctuation marks, practice using them in sentences	Punctuation cards, sentence strips, worksheets	Complex punctuation usage exercises
4	Develop advanced writing skills	Writing complex sentences	Practice writing complex sentences with proper punctuation and capitalization	Writing sheets, sentence prompts, picture cards	Complex sentence writing exercises
5	Engage in advanced creative writing activities	Creative writing	Write detailed stories or paragraphs based on prompts	Writing prompts, picture cards, story starters	Advanced creative writing exercises
6	Recognize and use advanced conjunctions	Advanced conjunctions	Identify and use advanced conjunctions to connect sentences	Conjunction cards, worksheets, books	Advanced conjunction usage exercises
7	Recognize and use adverbs	Adverbs	Identify and use adverbs to modify verbs in sentences	Adverb cards, worksheets, books	Adverb identification and usage exercises
8	Develop advanced comprehension through inferencing	Inferencing	Practice making inferences from texts	Inferencing cards, storybooks, worksheets	Inferencing activities

9	Develop advanced descriptive writing skills	Descriptive writing	Practice writing detailed descriptive sentences and paragraphs	Writing prompts, picture cards, worksheets	Advanced descriptive writing exercises
10	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments

Grade 6 English Lesson Plan

Term 1 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce complex vocabulary and usage	Advanced vocabulary	Practice using complex vocabulary in sentences and paragraphs	Vocabulary lists, advanced word cards, thesaurus	Vocabulary usage exercises, sentence creation
2	Develop advanced reading comprehension skills	Reading comprehension	Analyze and discuss complex texts, answer higher-order questions	Advanced storybooks, comprehension worksheets	Reading comprehension questions
3	Understand and use advanced grammar structures	Advanced grammar	Identify and use complex sentences, clauses, and phrases	Grammar books, worksheets, sentence strips	Grammar exercises, sentence creation

4	Develop persuasive writing skills	Persuasive writing	Write persuasive essays and arguments	Writing prompts, sample essays, graphic organizers	Persuasive writing assignments
5	Recognize and use advanced punctuation	Punctuation (semicolons, colons, dashes)	Introduce and practice using advanced punctuation marks	Punctuation cards, worksheets, sentence strips	Advanced punctuation exercises
6	Develop narrative writing skills	Narrative writing	Write detailed narratives with clear structure and elements	Writing prompts, narrative examples, story maps	Narrative writing assignments
7	Enhance comprehension through inferencing	Inferencing	Practice making inferences and drawing conclusions from texts	Text passages, inferencing worksheets	Inferencing exercises
8	Develop research skills	Research and note-taking	Conduct research on given topics, practice note-taking and summarizing	Research materials, note cards, internet access	Research projects and presentations
9	Understand and use figurative language	Figurative language (metaphors, similes)	Identify and use figurative language in writing and speech	Figurative language cards, books, worksheets	Figurative language exercises

10	Engage in critical analysis and discussion	Critical analysis	Analyze and discuss themes, characters, and plots in texts	Advanced texts, discussion guides, question prompts	Critical analysis essays and discussions
----	--	-------------------	--	---	--

Term 2 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Develop expository writing skills	Expository writing	Write clear and concise expository essays	Writing prompts, expository examples, graphic organizers	Expository writing assignments
2	Understand and use advanced conjunctions	Advanced conjunctions	Practice using subordinating and coordinating conjunctions	Conjunction cards, worksheets, books	Advanced conjunction exercises
3	Enhance vocabulary through context clues	Context clues	Use context clues to determine the meaning of unknown words	Text passages, vocabulary worksheets	Context clue exercises
4	Develop analytical writing skills	Analytical writing	Write analytical essays on various topics	Writing prompts, analytical examples, graphic organizers	Analytical writing assignments
5	Recognize and use advanced adverbs	Advanced adverbs	Identify and use adverbs to modify verbs and adjectives	Adverb cards, worksheets, books	Adverb identification and usage exercises

6	Develop comprehension through summarizing	Summarizing	Practice summarizing texts accurately and concisely	Text passages, summarizing worksheets	Summarizing exercises
7	Enhance critical thinking through evaluation	Evaluation	Evaluate texts, arguments, and evidence critically	Texts for evaluation, worksheets	Critical evaluation exercises
8	Develop skills for writing formal letters	Formal letter writing	Write formal letters with appropriate structure and tone	Letter templates, writing prompts	Formal letter writing assignments
9	Understand and use passive and active voice	Passive and active voice	Identify and use passive and active voice in sentences	Worksheets, grammar books	Passive and active voice exercises
10	Engage in advanced creative writing activities	Creative writing	Write detailed and imaginative stories or poems	Writing prompts, creative examples, story starters	Creative writing assignments

Term 3 (10 Weeks)

Week	Learning Objectives	Content/Topics	Learning Experiences	Teaching/Learning Resources	Assessments (Projects etc)
1	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments

2	Develop advanced descriptive writing skills	Descriptive writing	Write detailed descriptive essays and paragraphs	Writing prompts, descriptive examples, graphic organizers	Descriptive writing assignments
3	Understand and use advanced grammatical structures	Advanced grammar	Practice using complex grammatical structures in writing	Grammar books, worksheets, sentence strips	Advanced grammar exercises
4	Develop critical thinking through debates	Debating skills	Participate in debates on various topics	Debate topics, guidelines, evaluation rubrics	Debate participation and evaluation
5	Enhance comprehension through synthesis	Synthesis	Practice synthesizing information from multiple texts	Text passages, synthesis worksheets	Synthesis exercises
6	Develop persuasive writing skills	Persuasive writing	Write persuasive essays and speeches	Writing prompts, persuasive examples, graphic organizers	Persuasive writing assignments
7	Recognize and use advanced idiomatic expressions	Idiomatic expressions	Identify and use idiomatic expressions in writing and speech	Idiom cards, books, worksheets	Idiomatic expression exercises
8	Develop skills for writing research reports	Research report writing	Write detailed research reports with citations	Research materials, note cards, internet access	Research report assignments

9	Enhance comprehension through critical reading	Critical reading	Practice critical reading of complex texts, identifying main ideas and arguments	Advanced texts, critical reading worksheets	Critical reading exercises
10	Review and reinforce key concepts	Review	Review key concepts learned throughout the year	Review sheets, games, activities	Comprehensive review activities and assessments
